Happy February--so many days to celebrate!

February 10--National Umbrella Day
February 11--National Make A Friend Day
February 20--National Love Your Pet Day
February 23--National Dog Biscuit Day

So, introduce your puppies to umbrellas! Make some doggy friends in Puppy Preschool and Manners & Minding 1! Enroll in any class; training deepens the human-dog bond. And, don't forget National Biscuit Day! [Recipe for 3 Ingredient Biscuits](#)

You love your dog (and others do too!)--but does your dog love every act of affection? Here is an excellent article by Victoria Stillwell. [Consent: It's Not Just for People](#)

February is also National Pet Dental Health Month. See why taking good care of your dog's teeth is more than just preventing doggy breath. [Dental Health Month](#)

Puppy Preschool is a great way to get your puppy off to the right start. If your pup is at least 10 weeks old and has been in your home for 10 days, he can start Puppy Preschool or come to the Small Dog/Puppy Play Group.

As soon as you enroll your pup (which you can do before your pup is 10 weeks old), I'll send you puppy handouts to help you through those first days at home with the new member of your family. Do you know how much sleep your new puppy should be getting? This is one of the many things you'll learn!

I'm happy to announce that we will be starting a [Puppy Preschool](#) class on Saturday, February 25, at 11:15 am, with [Julie Bond](#).

It's wonderful to have all this rain, but it does make exercising your dog more challenging. As I've said many times, mental exercise for your dog is a good way to meet this goal! So get out of the rain and come take a class with your four-legged friend. [Rally for Fun](#) is a new class that will introduce you to the sport of Rally. We are also offering [Manners & Minding 1.5](#) for dogs who have mastered M&M1--but aren't quite ready for the Canine Good Citizen test. Julie Bond will be teaching another special topic class soon, so please keep checking the

website for the newest class listings.

But, if you want to give your dog some great physical exercise, I am also offering occasional playgroups for Medium-Sized Dogs as well as the almost weekly Small Dog/Puppy Play Groups. Check the [website](#) to see when they are scheduled.
